

# Configuration & Personalisation

OFFICEVISION

## WE TAILOR SYSTEMS TO YOUR BUSINESS

We know that systems don't always come the way you need them, direct from the manufacturer. That's why we give you flexible options to configure & personalise your systems to be more tailored to your organisation.

## WHAT WE CAN DO

- ✓ Software configuration
- ✓ Hardware installation
- ✓ Imaging
- ✓ Asset tagging
- ✓ Reporting

## ANY QUESTIONS?

We offer flexible and bespoke customisations, so get in touch today for a quote for your business!
